Transform an ordinary uniform program into an EXTRAORDINARY UNIFORM PROGRAM.

Through our Imagine It® program, we have taken the capability of creating customized uniform items and apparel to a new level. The possibilities are countless.

Decorate it. Modify it. **Customize it.**

This unique program allows you to select stock apparel from our many brands and modify or customize them to create uniforms that cater directly to your needs. A red collar overlay, a decorative trim on the cuffs or the addition of reflective striping to a coverall are a few examples of the possibilities that can make your purchases unique. Contact your sales representative for more information.
